

Administrative Law, 2000, 1027 pages, William Wade, C. F. Forsyth, 0198765258, 9780198765257, Oxford University Press, 2000

This new edition has been substantially updated and revised to provide a thorough account of the principles underlying English administrative law, including an important new chapter on the incorporation of European law and an assessment of the impact of the Human Rights Act of 1998. A clear, accurate, and perceptive statement of the principles of administrative law, "Wade" has become firmly established as the classic textbook in its field.
